

MASCOT SEARCH GUIDELINES

The River School is looking for a mascot!

WHO: We are inviting all members of the River School community—students, parents, teachers, staff—to submit ideas. Group submissions (for instance, from a family or from a group of friends) are allowed but only one submission per person will be accepted.

WHAT: The mascot must be a noun (a person, animal, place, or thing) that includes “River” in its name. Alliteration is encouraged but not required. (For instance, River Otters, River Riptide, River Rascals, and River Wave would all be acceptable; River Really and River Fast would not be.)

WHERE: Submissions must be placed in the entry box in the main office.

WHEN: Submissions must be received no later than **Friday, February 1, 2019.**

HOW: On this entry form, please write a short paragraph describing why you think your idea should be the mascot. (Students may have help from parents or others in writing the paragraph.) Also, please draw a picture of your mascot. Please note that your drawing may be used as inspiration for the final design of the mascot but will most likely not be used as is.

The Community Event committee (consisting of five River School teachers) will review all submissions and pick three finalists. Students will then vote on the three finalists in class to select our new mascot!

Email the PTA with any questions at pta@ps281.org.
